4th-5th AUGUST
Indian Academy of Oral Medicine & Radiology
National Post Graduate Convention

Kalinga Institute of Dental Sciences,
KIIT UNIVERSITY, Bhubaneswar, Odisha

Dear Delegates

On behalf of the Organizing Committee we are delighted to welcome all the delegates to the City of Temples, Bhubaneswar, for the NATIONAL IAOMR PG CONVENTION 2017 which will be held on 4th - 5th AUGUST.

In recent times, there have been rapid advances in management of Oral Diseases. It is prudent to update the current concepts in Oral Medicine and Radiology. Oral Medicine and Radiology as a specialty in dentistry has a wide scope to contribute to optimum oral health.

IAOMR PG convention 2017 is a forum aimed to converge the experienced faculty and younger students to exchange ideas and interact. The main focus of this convention will be on "Multiple Criteria Decision Analysis" During this convention senior faculties will be sharing their experiences on management and recent advances on treating various oral diseases as well as directions for future research. Postgraduates with their scientific paper/poster presentations have an opportunity to showcase their acumen and learn. Preconference Workshops on "Practice based research network" and "Informed Consent and Assent in Human Subjects Research" have also been arranged. Organizing committee will be looking forward to the deliberations on **"Progressions in Oral Medicine and Radiology"** during July 21 & 22, 2017 and hope to make this an eventful post graduate convention.
