National Dental Commission | Section 45 Compliance

MONTHLY IPD PATIENT COUNT REPORT

Reporting Month: October 2026

Department-wise Inpatient Department (IPD) Patient Statistics

Departments with IPD Facility: Oral & Maxillofacial Surgery | Pedodontics & Preventive Dentistry

S.No.	Department	IPD Count (October 2026)
01	**Oral & Maxillofacial Surgery**	**34**
02	**Pedodontics & Preventive Dentistry**	**35**
	TOTAL	**69**

TOTAL IPD PATIENTS — APPLICABLE DEPARTMENTS (October 2026): 69

Context: IPD services at KIDS are operational in two departments — Oral & Maxillofacial Surgery, managing surgical admissions and post-operative care, and Pedodontics & Preventive Dentistry, admitting paediatric patients requiring general anaesthesia or conscious sedation procedures.

Notes:

1. IPD patient counts reflect total inpatient admissions / procedures requiring hospitalisation for October.
2. Only departments with active IPD facilities are noted in this report.
3. Compiled for NDC Section 45 compliance reporting as per the NDC Act 2023.
